Due to the current ongoing situation, the system for assessments will differ from previous years. Information will be sent to all those that have applied.

In the current circumstances we have amended our assessment process, in order to keep the children as safe as possible.

All prospective parents are invited to meet the Headmistress via Microsoft Teams.

The 4+ assessment will take place via a Teams meeting with the parent present. The child will be assessed informally through friendly, age-appropriate activities. Parents will be informed of a list of items which will be helpful for the assessment.

For all other Prep entry points, a link to the online assessments will be sent to the parents. Interviews will be conducted via Microsoft Teams.
